

Linkon Jewel Tripura

Front-end Developer | MERN Stack Developer

Gulshan, Dhaka-1212 | +880 1670658 | linkontripura@gmail.com | [GitHub](#) | [Portfolio](#) | [LinkedIn](#)

Career Objective

Enthusiastic Frontend Developer skilled in building responsive, user-centric web applications with React and JavaScript. Enhanced by a comprehensive MERN stack certification, with backend proficiency in Node.js, Express.js, and MongoDB. Seeking a Junior Frontend or MERN Developer role to deliver impactful user experiences and evolve into a full-stack expert.

Work Experience

Business Development Representative (BDR)

Teleperformance (supporting Google) – Toronto | January 2023 – June 2024

- Exceeded sales targets by 120% in the last quarter by analyzing client needs and effectively articulating the value of complex technical solutions (Google Cloud).
- Spearheaded outbound prospecting campaigns from conception to deal closure, demonstrating strong project management and initiative.
- Collaborated with cross-functional teams to refine sales processes and develop best-practice documentation, improving team efficiency.
- Resolved minor technical client issues, developing a foundational aptitude for troubleshooting and technical problem-solving.

Sales Representative

Connect6 Group – Toronto | August 2022 – January 2023

- Consistently met sales quotas by performing detailed needs analyses and tailoring professional solutions for clients, strengthening client relationship management skills.
- Coordinated sales efforts across departments to ensure a seamless customer experience, highlighting teamwork and collaboration.

Machine Operator

Corner-Edge Products Ltd-Toronto | June 2021 – August 2021

- Operated machinery and performed quality control checks, ensuring attention to detail and adherence to processes.

Customer Representative

Pizza Pizza Ltd, Toronto | May 2020 – May 2021

- Managed high-volume transactions and resolved customer inquiries, honing communication and problem-solving skills.

Trainee Executive (Accounts and Finance)

Kalyar Packaging Limited - Gulshan, Dhaka | February 2018 – September 2018

- Managed financial data integrity by processing invoices, maintaining ledgers, and generating accurate monthly reports, ensuring strict attention to detail and deadlines.
- Utilized **Tally ERP** and other accounting software to organize and manage transactional data, building a foundation for working with structured databases and systems.
